WHAT PERSONAL DATA WE COLLECT AND WHY WE COLLECT IT

Contact forms

Cookies

If you register on our website, you may opt in to saving your name and email address in cookies. This information shall be used to contact you to provide requested information, online learning login credentials and contacting you for any future events. These cookies will last for one year.

If you visit our login page, we will set a temporary cookie to determine if your browser accepts cookies. This cookie contains no personal data and is discarded when you close your browser.

Embedded content from other websites

Articles on our website may include embedded content (e.g., videos, images, articles, etc.). Embedded content from other websites behaves in the exact same way as if the visitor has visited the other website.

These websites may collect data about you, use cookies, embed additional third-party tracking, and monitor your interaction with that embedded content, including tracking your interaction with the embedded content if you have an account and are logged in to that website.

WHO WE SHARE YOUR DATA WITH, HOW LONG WE RETAIN YOUR DATA

If you leave a comment, the comment and its metadata are retained indefinitely. This is so we can recognise and approve any follow-up comments automatically instead of holding them in a moderation queue.

For users that register on our website, we also store the personal information they provide in their profile. Users cannot access their data directly, any changes that are required need to be requested via the contact us page. Website administrators can also see and edit that information.

WHAT RIGHTS YOU HAVE OVER YOUR DATA

If you have an account on our website, or have left comments, you can request to receive an exported file of the personal data we hold about you, including any data you have provided to us. You can also request that we erase any personal data we hold about you. This does not include any data we are obliged to keep for administrative, legal, or security purposes.

WHERE WE SEND YOUR DATA

Visitor comments may be checked through an automated spam detection service.
